Dear Parents...and Kids!

Bowbrook House Summer School is now entering its 23rd summer season...

The scheme is designed to offer a quality experience where each child is given time, space and opportunity. The limiting the age range to 4 – 12 years and the group sizes I believe we can continue to offer a challenging and fun packed week in a safe and secure environment. As in previous years, safety is very much our prime concern. I will again call on experienced staff and students whom I know and trust to enthuse the children, to challenge the children and of course, who will care for the children. Bowbrook House School has been inspected by the Independent Schools Inspectorate and as Headmaster I am a member of the Independent Schools Association.

With numbers limited to 40 students per week, which is up to 200 children attending every year, we are very proud of our safety record...but are not complacent.

When comparing our course to other schemes be sure to compare the range of activities that we offer, the *small group sizes* (typically 10 - 12) that afford your child maximum activity and involvement, the *small numbers* on the course (40 per week in 3 or 4 groups) which make it a more personal experience and the *professional nature and experience* of our staff as well as our *comprehensive insurance*. I think you will agree that the camps are extremely good value for money!

I can assure you as parents that my twenty seven years experience in the activity holiday business means that we have formulated an all round programme within the safe confines of the school grounds that is exciting, challenging, at times educational but most of all...fun! If you would like to talk to us about any aspect of your child's holiday then please feel free to contact us on **01905 841242 during normal school hours or e-mail queries to : enquiries@bowbrookhouseschool.co.uk** and we will be more than happy to talk to you.

Yours faithfully,

C.D. Allen.BSc Hons.
Headmaster.

The courses run from Monday to Friday from 9:30 a.m. to 4:30 p.m. each day. Staff are on site from 8:45 a.m. until the last child is picked up in the evening at 5:00 p.m. The children experience up to 5 activities each day plus lunchtime games.

A daily rate is available but the course is aimed at a full weeks structured programme culminating with our own version of a very messy 'sports afternoon'.

Drinks and biscuits are given mid- morning and mid-afternoon, but the children will need to bring their own packed lunches. The children are in small groups of a similar age. The total number 'on camp' each week is strictly limited. The aim is maximum participation (and supervision.)

All equipment is provided but the children will need to bring appropriate clothing for an activity holiday. Swimwear and armbands if appropriate should be brought everyday and for afterwards, even in summer, a jumper or tracksuit top for afterwards.

Please make sure all clothes are labelled with your child's name. If clothing is not labelled it makes it extremely hard to return it to the owner!

Staff with first aid qualifications are on hand at all times. Activities are pitched at a level suitable for the age and ability of the children concerned. Our staff are enthusiastic, caring and able to make all children feel welcome and able to participate at their own level.

Confirmation of your booking will follow on receipt of your **booking and payment forms** and **£35 deposit- per child- per week**.

If you are booking **parts of a week** or **single days** then please forward the **full amount** with your booking form. Thank you.

If you are booking with **less than one week** to your chosen course dates then please forward **full amount** with your booking form.

You are advised to check availability before sending in a booking form. We are operating a reduced number of weeks this year due to my increased commitments to the school. This will inevitably lead to places being filled earlier. Group sizes are strictly monitored to give maximum participation and personal attention. We will not 'stretch' group sizes, nor exceed our maximum numbers. Please do not ask for preferential treatment as refusal often offends. My advice is to 'book early to avoid disappointment!'

Please remember insurance for the summer school is now included in the school's general insurances with HSBC and so does not necessitate an extra payment.

Payment of deposit is regarded as acceptance of the booking conditions.

The total sum for your child's activity holiday will be £ _____

I enclose a cheque for the sum of £ _____ as deposit/payment.

Please tick if you are including an insurance premium with your booking

I would be grateful if you could briefly indicate how or where you heard of Bowbrook House Summer School:
